CAN YOU STUMP THE LIBRARIAN?

Starting September 1 if you are between the age of 5-18 drop off a notecard (or piece of paper) with a true fact- those unusual, weird, silly, or even useless I want to hear them. You can drop them off inside or put them in the outdoor drop box and every Friday I will go through them and pick one to be featured in the next week's paper! Those chosen will be put on the list for a pizza party so be sure to put your name, age, grade, and phone number!

FÜN FACTS

Have you ever made homemade butter or watched your mother or grandmother do it... Now, Im no Betty Crocker but by looking at the size of the one in our museum it seems kind of small, or maybe I'm just messy in the kitchen. Along with the butter urn we have several other delicately handcrafted pieces from Norway.
